Dev Bhoomi Group of Institutions:

Uttarakhand Uthan Samiti, an Educational Society, engaged in Professional Education in North India in its Six Premier Institutes in Dev Bhoomi Group Campus at Dehradun, Saharanpur & Roorkee, situated in a sprawling, lush green, picturesque Campus with Wi-Fi facilities.

Dev Bhoomi Group of Institutions is synonymous of emergence, evolution and growth and when the ambitious, aspirant and magnanimous management of Dev Bhoomi Group takes a stride on the path of progress the sky is the limit. After having established an engineering college DBIT of repute in the state of Uttarakhand, the management stepped across the border and made an inroad to DBIPR, DBIAS and DBITW within three years and now has established two new institutes under DBGI in Saharanpur and Roorkee running different courses. Our B.Tech, MBA, MCA, B.Pharm courses are approved by AICTE, Ministry of HRD, Govt. of India, affiliated to Uttarakhand Technical University and MIB and other UG courses duly approved by HNB Garhwal University (a central university), Srinagar, Uttarakhand.

Our Mission and Goal:

We, at DBGI, are absolutely committed to serve the society and improve the mode of life by imparting high quality technical education in the field of Engineering, Management, Pharmacy and Applied Sciences. Our goal is to continuously improve the healthy learning environment and facilities been provided to the students to achieve academic excellence for employability as world class technocrats and managers.

Department of Management studies:

Department of Management Studies has been established to meet the requirements of management in diverse functional areas of the corporate world. The academic programs in the institute are not only to set a standard according to the norms but also to rationalize the specialty with changing scenario in knowledge millennium.

Theme:

Today everywhere there is a talk of aftermath of recession. But what will be the real challenge after the recession, especially in management side; it is still a debatable question. Different expert have their own opinion about the challenges, but what would be the challenge in the field of marketing, finance, HR, IT and other linked activity, it is very difficult to judge. So, the new reality involves the shift from stability to change and crisis management, from control to empowerment, from uniformity to diversity (cross-cultural collaboration) and from a self-centered focus to a higher ethical purpose..

A list of the indicative/suggestive sub themes (but not restricted to) is given below:

The conference invites papers from on the following sub themes-

1. Challenges to Finance Management in Next Generation.
2. Role of Micro-finance for rural people.
3. Knowledge Management for growth.
4. Customer focus in new business culture.
5. Role of traditional Management concept in modern mgt context.
6. Business Innovation through advanced Information technology.
7. Importance of cross-culture skills in Management.
8. Relationship selling/building.
9. Impact of group dynamics on decision making.
10. Role of Management in sustainable development of society.

Call for Papers:

Original papers covering Issues, practices, Innovations, Opportunities and Strategies in various aspects of quality benchmarking are invited for presentation in the conference from management people, Industry practitioners, Academicians and Researchers, Consultants and students.

Guidelines for Full Paper:
